

A new „Morning has broken“

Morning has broken,
like the first morning
New grace is spreading
over the Earth
Praise for the beauty,
praise for the new life,
Newly created
through Your sweet love.

Bright is Your sunlight,
Bright is the morning,
Born of the one light,
Eden saw play
Praise with elation,
praise God's completion
Your recreation
of the whole world

Mine is a turning,
mine is a new life.
Mine is a journey
closer to You.
Praise for the sweet glimpse
of the near future
around the corner
after all pain.

Morning has broken,
like the first morning
New grace is spreading
over the Earth
Praise for the beauty,
praise for the new life
Newly created
through Your sweet love.
