

Bridge over troubled water

When you're weary
feeling small
when tears are in your eyes
I will dry them all
I'm on your side
oh when times get rough
and friends just can't be found
like a bridge over troubled water
I will lay me down
like a bridge over troubled water
I will lay me down

When you're down and out
when you're on the street
when evening falls so hard
I will comfort you
I'll take your part
oh when darkness comes
and pain is all around
like a bridge over troubled water
I will lay me down
like a bridge over troubled water
I will lay me down

Sail on silver girl
sail on by
your time has come to shine
all your dreams are on their way
see how they shine
oh if you need a friend
I'm sailing right behind
like a bridge over troubled water
I will ease your mind
like a bridge over troubled water
I will ease your mind

When I'm weary
feeling small
when tears are in my eyes
He will dry them all
He's on my side
oh when times get rough
and friends just can't be found
like a bridge over troubled water
He will lay Him down
like a bridge over troubled water
He will lay Him down

When I'm down and out
when I'm on the street
when evening falls so hard
He will comfort me
He'll take my part
oh when darkness comes
and pain is all around
like a bridge over troubled water
He will lay Him down
like a bridge over troubled water
He will lay Him down

I'm His silver girl
I'll go on
my time has come to shine
all my dreams are on their way
see how they shine
oh if I need a friend
He's sailing right behind
like a bridge over troubled water
He will ease my mind
like a bridge over troubled water
He will ease my mind
