

## *Handle with care*

Been beat up and battered 'round  
Been sent up, and I've been shot down  
You're the best thing that I've ever found  
Handle me with care

Reputation's changeable  
Situation's tolerable  
Baby, you're adorable  
Handle me with care

I'm so tired of being lonely  
I still have some love to give  
Won't you show me that you really care

Everybody's got somebody to lean on  
Put your body next to mine, and dream on

I've been fobbed off, and I've been fooled  
I've been robbed and ridiculed  
In day care centers and night schools  
Handle me with care

Been stuck in airports, terrorized  
Sent to meetings, hypnotized  
Overexposed, commercialized  
Handle me with care

I'm so tired of being lonely  
I still have some love to give  
Won't you show me that you really care

Everybody's got somebody to lean on  
Put your body next to mine, and dream on

I've been uptight and made a mess  
But I'll clean it up myself, I guess  
Oh, the sweet smell of success  
Handle me with care

## *Do we really care?*

There are people in this world,  
men and women, boys and girls,  
who must live and sleep on dirt:  
Do we really care?

There are people still today  
who lack freedom every way,  
have no chance to get away:  
Do we really care?

God gave us so many riches,  
but we do not share enough!  
Can't you see how big our guilt must be?

The Creator wanted peace and wealth and freedom.  
Feel with people on this planet and help them!

There is wealth enough to burn,  
and there's food enough on earth:  
Why does hunger always lurk?  
Do we really care?

But as long as spiritually,  
there's no change foreseeable,  
things remain unchangeable:  
Do we really care?

God gave us so many riches,  
but we do not share enough!  
Can't you see how big our guilt must be?

The Creator wanted peace and wealth and freedom.  
Feel with people on this planet and help them!

There's a planet near the sun,  
it is waiting there to come.  
When it comes we will be done:  
Do we really care?
