Galveston

Galveston, oh Galveston
I still hear your sea winds blowin′
I still see her dark eyes glowin'
She was 21 when I left Galveston

Galveston, oh Galveston
I still hear your sea winds crashing
While I watch the cannons flashing
I clean my gun, and dream of Galveston

I still see her standing by the water
Standing there looking out to sea
And is she waiting there for me?
On the beach where we used to run

Galveston, oh Galveston
I still hear your sea winds blowin'
I still see her dark eyes glowin'
She was 21 when I left Galveston

Galveston, oh Galveston
I still hear your sea winds crashing
While I watch the cannons flashing
I clean my gun, and dream of Galveston

I still see her standing by the water
Standing there looking out to sea
And is she waiting there for me?
On the beach where we used to run

Galveston, oh Galveston
I am so afraid of dying
Before I dry the tears she′s crying
Before I watch your seabirds flying in the sun
At Galveston
At Galveston

Glen Campbell

Don’t become a Noahide

Don’t become a Noahide!
God did never give that codex,
do prefer the laws of Moses,
they are straight-up, they are the will of God.

See yourself what’s missing there:
Should the Gentiles not be staying
a day home reserved for praying,
to be with God? That’s not a „Noah law“.

Should there really be two legal systems:
one for Gentiles and one for the Jews?
Will Apartheid be renewed?
I don’t think that God agrees!

What if parents do grow old:
don’t we need to care no longer?
May our self-interest be stronger,
that law is waste? And yet God had it placed.

What about the honest word?
God forbade to give false witness.
Will the liars be the fittest
in the new world? That would really hurt!

In the Moses laws it was forbidden
even to desire what’s not mine,
’cause all sin starts in the mind.
Noahide laws do not care.

Don’t become a Noahide!
God did never give that codex,
do prefer the laws of Moses,
they are straight-up, they are the actual will of God!
Not Noahide,
not Noahide.
