

Torn between two lovers

There are times when a woman
has to say what's on her mind
Even though she knows
how much it's gonna hurt
Before I say another word,
let me tell you "I love you"
Let me hold you close,
and say these words as gently as I can

"There's been another man
that I've needed, and I've loved
But that doesn't mean
I love you less
And he knows he can't possess me,
and he knows he never will
There's just this empty place
inside of me that only he can fill"

Torn between two lovers,
feeling like a fool
Loving both of you
is breaking all the rules
Torn between two lovers,
feeling like a fool
Loving you both
is breaking all the rules

You mustn't think you failed me
just because there's someone else
You were the first real love
I ever had
And all the things I ever said,
I swear they still are true
For no one else can have the part
of me I gave to you

Torn between two lovers,
feeling like a fool
Loving both of you
is breaking all the rules
Torn between two lovers,
feeling like a fool
Loving you both
is breaking all the rules

I couldn't really blame you
if you turned and walked away
But with everything I feel inside,
I'm asking you to stay

Grand Canyon

There are days when I feel happy
and days when I feel blue
'cause I worry what will happen
to people I once knew.
Will they find their way back
to the God who only saves?
And what happens to the other ones
who keep on their own ways?

God sent many warnings,
one of them reveals a plan:
Evil men are seeking
to destroy your sunny land.
Using nature's breaking points,
they sink part of the coast
and those giant forces will
as well destroy a famous place:

Visit the Grand Canyon
now that it's still there.
When the fatal day comes,
it will disappear.
Visit the Grand Canyon
now that it's still there.
The day of the quake
it will disappear.

You don't want to hear me,
but my message's to the point.
And if you look at the world,
you see how much it's out of joint!
Many think it's end time
and I do think so, too.
Come to Jesus, listen to
the message He gave to you!

Visit California
now that it's still there.
When the fatal day comes,
it will disappear.
Visit California
now that it's still there.
The day of the quake
it will disappear.

It feels sad to think that
history repeats itself.
It was the same with those old cities
from the well-known Bible tales:

Torn between two lovers,
feeling like a fool
Loving both of you
is breaking all the rules
Torn between two lovers,
feeling like a fool
Loving you both
is breaking all the rules

Torn between two lovers,
feeling like a fool
Loving both of you
is breaking all the rules
Torn between two lovers,
feeling like a fool...

(ausblenden)

Sodom and Gomorrha
stood on fragile ground.
God sent them warnings,
and yet they stayed around.
Sodom and Gomorrha
stood on fragile ground.
They had been warned
and yet they stayed around.

Sodom and Gomorrha
stood on fragile ground.
God sent them warnings,
and yet they stayed around.
Sodom and Gomorrha
stood on fragile ground...
