

You're my best friend

You placed gold on my finger
You brought love like I've never known
You gave life to our children
And to me a reason to go on.

You're my bread when I'm hungry
You're my shelter from troubled winds
You're my anchor in life's ocean
But most of all you're my best friend.

When I need hope and inspiration
You're always strong when I'm tired and weak
I could search this whole world over
You'd still be everything that I need.

You're my bread when I'm hungry
You're my shelter from troubled winds
You're my anchor in life's ocean
But most of all you're my best friend.

You're my bread when I'm hungry
You're my shelter from troubled winds
You're my anchor in life's ocean
But most of all you're my best friend.

Don Williams

His love for us will never cease

He is God the Almighty,
He created everything you see.
He gives life to all beings
and His love for us will never cease.

He gives bread when you're hungry,
He's your shelter from troubled winds.
He's your anchor in life's ocean,
but most of all He's your best friend.

He's a father for His children,
He's always there to give a helping hand.
There is no one in creation
that compares to Jesus, our friend.

He came down to our planet
and He showed God's love for us all.
Come to Him for salvation
so your soul can enter Heaven's realm.

He is God the Almighty,
He created everything you see.
He gives life to all beings
and His love for us will never cease.
