

Lonely people

This is for all the lonely people
Thinking that life has passed them by
Don't give up until you
Drink from the silver cup
And ride that highway in the sky

This is for all the single people
Thinking that love has left them dry
Don't give up until you
Drink from the silver cup
You never will know until you try

Well, I'm on my way
Yes, I'm back to stay
Well, I'm on my way back home
Hit it

This is for all the lonely people
Thinking that life has passed them by
Don't give up until you
Drink from the silver cup
She'll never take you down or
Never give you up
You'll never know until you try

Little people

This is for all the little people,
seeing the world has passed them by.
Do remember Jesus,
He was poor like you
until He rose up to the sky.

This is for all the loving people,
caring for others all their lives.
Don't give up, as Jesus
will reward your toil
and give you eternal joy.

You are on the right way,
please don't doubt, please stay
loving, caring all the way.
You've got it!

This is for all the little people,
trusting that God is in control.
Rest with Him until you
meet Him personally!
He'll never let you down and
never give you up
here and in His heaven's realm.
