

Wake up, little Susie

Wake up, little Susie, wake up
Wake up, little Susie, wake up
We've both been sound asleep,
wake up, little Susie, and weep
The movie's over, it's four o'clock,
and we're in trouble deep
Wake up little Susie
Wake up little Susie

Well, whatta we gonna tell your mama
Whatta we gonna tell your pa
Whatta we gonna tell our friends
when they say "ooh-la-la"
Wake up little Susie
Wake up little Susie, well

I told your mama that you'd be in by ten
Well Susie baby looks like we goofed again
Wake up little Susie
Wake up little Susie
We gotta go home

Wake up, little Susie, wake up
Wake up, little Susie, wake up
The movie wasn't so hot,
it didn't have much of a plot
We fell asleep, our goose is cooked,
our reputation is shot
Wake up little Susie
Wake up little Susie

Well, whatta we gonna tell your mama
Whatta we gonna tell your pa
Whatta we gonna tell our friends
when they say "ooh-la-la"
Wake up little Susie
Wake up little Susie
Wake up little Susie

Everly Brothers

Satan's little season's over

Satan has a little season,
we are in that little season.
We have long been asleep,
wake up, don't wait for the treat
that Jesus comes and raptures us
before the mess gets deep.
Wake up, my dear Christians,
wake up, my dear Christians!

Well, the rapture is deception,
the rapture is a trap!
The rapture will not happen,
don't wait for that day!
Wake up, my dear Christians,
wake up, my dear Christians!

Well, look how early Christians fought the foe
and how they changed the world up to this day!
Why don't we just do it
as those Christians did it?
Let's take up the fight!

Satan's little season's over,
Satan's little season's over,
when Christians find their place
and shatter Satan's mace.
They fight his works, protect the weak
and demonstrate God's grace.
Come forth, my dear Christians,
come forth, my dear Christians!

For the rapture is deception,
the rapture is a trap!
The rapture will not happen,
don't wait for that day!
Wake up, my dear Christians,
wake up, my dear Christians,
wake up, my dear Christians!
