

Ray of light

Zephyr in the sky at night, I wonder 0:31
Do my tears of morning
Sink beneath the sun
She's goddess of a universe, gone quickly
For the call of thunder
Threatens everyone

And I feel like I just got home
And I feel
And I feel like I just got home
And I feel

Faster than the speeding light, she's flying
Trying to remember
Where it all began
She's goddess of a little piece of heaven
Waiting for the time when
Earth shall be as one

And I feel like I just got home
And I feel
And I feel like I just got home
And I feel

Quicker than a ray of light
Quicker than a ray of light
Quicker than a ray of light

Zephyr in the sky at night, I wonder
Do my tears of morning
Sink beneath the sun
She's goddess of a universe, gone quickly
For the call of thunder
Threatens everyone
And I feel...

Quicker than a ray of light, then gone for
Someone else will be there
Through the endless years

She's goddess of a universe
She's goddess of a universe
She's goddess of a universe

And I feel
And I feel
And I feel like I just got home
And I feel

Quicker than a ray of light
She's flying
Quicker than a ray of light
I'm flying

Spirit of the universe

When I look at our world, I wonder
why there is confusion
in so many ways?
When I'm searching in my mind, I find it,
can see the right solution
healing everyone.

And I feel like God told me so,
yes, I feel.
And I'm sure that God told me so,
yes, I'm sure:

Whose idea was that old evolution
saying that all mankind
came without a cause?
And who poisoned our research system
saying that nobody
may oppose that phrase?

And I know, it's that serpent mind,
yes, I know.
Yes, I know that old serpent mind,
yes, I know.

Spirit of the universe,
spirit of the universe,
spirit of the universe!

When I see that serpent mind, I wonder
why did God allow her
to gather so much might?
When I'm searching in my mind, I find it,
can see the right solution
saving everyone.
And I know...

It's because we don't love God, reject Him,
so the space is empty
He had in our hearts.

Spirit of the universe,
she is quick to take that place
but consider what God says:

She will fall,
she will fall,
she will fall, you will see it soon,
she will fall!

Do return to God right now,
He's waiting!
Do return to God right now,
He's waiting!
