

## *The power of goodbye*

Your heart is not open  
So I must go  
The spell has been broken  
I loved you so

Freedom comes when you learn to let go  
Creation comes when you learn to say no

You were my lesson  
I had to learn  
I was your fortress  
You had to burn

Pain is a warning that something's wrong  
I pray to God that it won't be long  
Do you wanna go higher?

There's nothing left to try  
There's no place left to hide  
There's no greater power  
Than the power of good-bye

Your heart is not open  
So I must go  
The spell has been broken  
I loved you so  
You were my lesson  
I had to learn  
I was your fortress

There's nothing left to lose  
There's no more heart to bruise  
There's no greater power  
Than the power of good-bye

Learn to say good-bye  
I yearn to say good-bye

There's nothing left to try  
There's no more places to hide  
There's no greater power  
Than the power of good-bye

There's nothing left to lose  
There's no more heart to bruise  
There's no greater power  
Than the power of good-bye

## *The power of godly love*

We found each other  
long time ago.  
If it would linger,  
we didn't know.

Real love comes when in times of pain  
we stay caring, stay the same.

This is our lesson  
we had to learn,  
and our proudness  
we had to burn.

Life's a school for the children of God,  
pray to Him for his support,  
so we're going higher!

We're living every day  
by God's eternal grace  
and He gives us power,  
the power of godly love.

We help each other  
those evil days,  
remaining together  
in vicious games.  
We'll teach a lesson  
to the foes:  
we are a fortress!

We're fighting every day,  
know each other's ways.  
Our God gives us power,  
the power of godly love.

We'll not say good-bye,  
we'll not say good-bye!

We're living every day  
by God's eternal grace  
and He gives us power,  
the power of godly love.

We're fighting every day,  
know each other's ways.  
Our God gives us power,  
the power of godly love.
