

When I need you

When I need you
I just close my eyes and I'm with you
and all that I so wanna give you
it's only a heartbeat away

When I need love
I hold out my hands and I touch love
I never knew there was so much love
keeping me warm night and day

Miles and miles of empty space in between us
a telephone can't take the place of your smile
but you know I won't be travelling forever
it's cold out but hold out
and do like I do

When I need you
I just close my eyes and I'm with you
and all that I so wanna give you, babe
it's only a heartbeat away

It's not easy when the road is your driver
honey, that's a heavy load that we bear
but you know I won't be travelling a lifetime
it's cold out but hold out
and do like I do
oh I need you

When I need love
I hold out my hands and I touch love
I never knew there was so much love
keeping me warm night and day

When I need you
I just close my eyes
and you're right here by my side
keeping me warm night and day

I just hold out my hands
I just hold out my hands
and I'm with you, darlin'
yes I'm with you, darlin'
all I wanna give you
it's only a heartbeat away
oh I need you, darlin'...

Leo Sayer

When I need you
I just close my eyes and I'm with you
and all that I so wanna give you
it's only a heartbeat away

When I need love
I hold out my hands and I touch love
I never knew there was so much love
keeping me warm night and day

Miles and miles of empty space in between us
a fantasy can't take the place of your smile
but you know I won't be suffering forever
it's cold out but I'll hold out
and do like you do

When I need you
I just close my eyes and I'm with you
and all that I so wanna give you, babe
it's only a heartbeat away

It's not easy when the wheel is your driver
honey, that's a heavy load that we bear
but you know I won't be suffering a lifetime
it's cold out but I'll hold out
and do like you do
oh I need you

When I need love
I hold out my hands and I touch love
I never knew there was so much love
keeping me warm night and day

When I need you
I just close my eyes
and you're right here by my side
keeping me warm night and day

I just hold out my hands
I just hold out my hands
and I'm with you, Jesus
yes I'm with you, Jesus
all I wanna give you
it's only a heartbeat away
oh I need you, Jesus...
