

All those years ago

I'm shouting all about love
While they treated you like a dog
When you were the one who had made it so clear
All those years ago

I'm talking all about how to give
They don't act with much honesty
But you point the way to the truth when you say
All you need is love

Living with good and bad
I always looked up to you
Now we're left cold and sad
By someone the devil's best friend
Someone who offended all

We're living in a bad dream
They've forgotten all about mankind
And you were the one they backed up to the wall
All those years ago
You were the one who imagined it all
All those years ago

All those years ago

All those years ago

Deep in the darkest night
I send out a prayer to you
Now in the world of light
Where the spirit free of lies
And all else that we despised

They've forgotten all about God
He's the only reason we exist
Yet you were the one that they said was so weird
All those years ago
You said it all though not many had ears
All those years ago
You had control of our smiles and our tears
All those years ago

All those years ago

All those years ago...

George Harrison

Where else should we go?

They're talking all about love
but then acting worse than wolves.
See how they shout when someone dares to say:
All you need is God.

They pretend to be good
but cannot tolerate
people who think that God made us all.
Hypocrites they are!

Life is precarious
in these endtime years.
Christians, be serious
defending the Word of God,
the biblical truth!

We have the only hope,
it lies in Jesus Christ
and He is the one who can save everyone:
Where else should we go?
He has the words of eternal life:
Where else should we go?

Where else should we go?

Where else should we go?

Death is precarious
in these godless times.
How many could be lost
in the eternal realm
'cause they don't love Him?

Please do pray for their souls,
they are so jeopardized.
For Christ is the one who can save everyone.
Where else should we go?
Christ is the one who loves everyone.
Where else should we go?
Christ is the one who gives eternal life.
Where else should we go?

Where else should we go?

Where else should we go?...
