

## ***Don't gimme that***

Uh  
Don't gimme that (Don't gimme that)  
Uh  
Don't gimme that (Don't gimme that)  
Uh  
Don't gimme that

Take my body, take my soul  
But don't take my rock'n'roll  
Don't you dare, I'll see red  
Hold your tongue but don't gimme that

Take my money, take my car  
Don't you take my guitar  
It won't play with you  
Hoochie Koo, screw you

(Don't gimme that)  
Oh baby you can take everything  
It don't mean a thing  
Anything to me  
(Don't gimme that)  
But don't control my rock'n'roll  
No, no, uh, uh, uh, uh, uh, uh  
Shut your head  
Hey baby don't gimme that

Uh, uh  
Don't gimme that

Well give me double trouble  
Heartache and pain  
I'll take the blame  
(But don't gimme that)  
Lock me up, put me in chains  
Ain't too bad  
But don't gimme that (Don't gimme that)  
Do whatever you wanna do to me  
You cannot steal my esprit  
You're barking up the wrong tree  
Uh

Don't gimme that

## ***I stay unvaxxed***

Uh  
I stay unvaxxed! (I stay unvaxxed)  
Uh  
I stay unvaxxed! (I stay unvaxxed)  
Uh  
I stay unvaxxed!

It's my body, it's my soul!  
Though campaigns you unfold,  
don't you dare come to me  
with your jab: I stay unvaxxed!

It's my health, it's my blood,  
I won't take your damn shot!  
I'm no guinea pig,  
stay away six feet!

(I stay unvaxxed)  
Hey Doctor, tell me why do you think  
that the jab will bring  
something good to me?  
(I stay unvaxxed)  
Instead it's really poisonous!  
No, no, uh, uh, uh, uh, uh, uh  
Stay away!  
Hey Doctor, I stay unvaxxed!

Uh, uh,  
I stay unvaxxed!

It will bring double trouble,  
headache and pain:  
who takes the blame?  
(I stay unvaxxed)  
They all lie, many will die  
or get sick,  
I stay unvaxxed (I stay unvaxxed)!  
Whatever lies they tell on TV,  
you cannot do that to me,  
you're barking up the wrong tree.  
Uh

I stay unvaxxed!

Oh baby you can take everything  
It don't mean a thing  
Anything to me  
(Don't gimme that)  
But don't control my rock'n'roll  
No, no, uh, uh, uh, uh, uh, uh  
Shut your head  
Hey baby don't gimme that

Don't gimme that

Don't gimme that (No, no)  
Let me breathe (Don't gimme that)  
I want another survival  
I won't give up my dreams  
You cannot break my wings (Oh no)  
Baby, I'm a survivor  
So don't gimme that  
Uh

Don't gimme that

Don't gimme that  
Oh baby you can take everything  
It don't mean a thing  
Anything to me  
(Don't gimme that)  
But don't control my rock'n'roll  
No, no, uh, uh, uh, uh, uh, uh  
Shut your head  
Hey baby don't gimme that

Don't gimme that

Don't gimme that

Don't gimme that

*The Boss Hoss*

Hey Doctor, tell me why do you think  
that the jab will bring  
something good to me?  
(I stay unvaxxed)  
Instead it's really poisonous!  
No, no, uh, uh, uh, uh, uh, uh  
Stay away!  
Hey Doctor, I stay unvaxxed!

I stay unvaxxed!

Won't take the jab (No, no),  
let me breathe (I stay unvaxxed)!  
I want another survival,  
I won't give up my health,  
you cannot break my will (Oh no)!  
So I'll be a survivor  
'cause I stay unvaxxed!  
Uh

I stay unvaxxed!

(I stay unvaxxed)  
Hey Doctor, tell me why do you think  
that the jab will bring  
something good to me?  
(I stay unvaxxed)  
Instead it's really poisonous!  
No, no, uh, uh, uh, uh, uh, uh  
Stay away!  
Hey Doctor, I stay unvaxxed!

I stay unvaxxed!

I stay unvaxxed!

I stay unvaxxed!
